

Nunwrong

Leven Kali

I believe in love, I needed love
I believe in love, it makes you feel like nothing's wrong
(Like there's nothing wrong)
And I can see that you're in need of some
So I ain't leavin' 'til I make you feel like nothing's wrong
(Like there's nothing wrong)

Girl, I need for you to hold my hand
Hold my hand, hold my hand
Girl, I need for you to hold my hand
Hold my hand, hold my hand (Ooh whoa, whoa)

I ain't throwin' pennies in no fountain
Pullin' petals off of a rose
I ain't gotta think about it
I would already know
If there was something wrong (Like there's nothing wrong)
Ain't no way I could explain it
Either happen or it don't
Ain't no room for second guessing
It's so different from before
Because there's nothin' wrong (Like there's nothing wrong)
Ooh whoa, whoa ('Cause there's nothin' wrong)

Girl, I need for you to hold my hand
Hold my hand, hold my hand
Girl, I need for you to hold my hand
Hold my hand, hold my hand

Only heart to heart, you're in my arms, babe
Safest place you'll go, let me know
If there's somethin' wrong, I got you, baby
