

When I look in your eyes  
It's so easy to see  
It's so easy to cry  
It's so easy to leave  
But baby, I'm by your side (Uh huh)  
Tell me what's on your mind (Tell me what's on your)  
And, baby, we can get comfortable, yeah  
If you give me some time, listen

Now you can hold it in  
But if you let me in  
Oh, I'm gon' do some' for you, babe  
And you will find that you can trust in mine  
If there's something wrong, I got you, baby  
If there's something wrong, I got you, baby (I got you, babe)

I can give you some time  
I can let you breathe  
But that ain't what you want, what you want, no (Oh no)  
And that ain't what you need

'Cause baby, what you need, I'll supply  
I can be your shoulder to cry on  
Baby, please, don't you hide out, call on me  
To give you what you want in your time of need, yeah

Now you can hold it in  
But if you let me in  
Oh, I'm gon' do some' for you, babe  
And you will find, you can trust in mine, yeah  
If there's something wrong, I got you, baby  
I got you, baby, yeah  
If there's something wrong, I got you, baby  
If there's something wrong, I got you, baby (Oh, oh, oh, oh, oh)  
If there's something wrong, I got you, baby (If there's something wrong)

You can hit me on the phone line  
You can light the Bat sign  
Any time you call, I'll stay up, girl  
Uh, and this isn't no favor  
This the shit I was made for  
You'd do the same if there was something wrong  
Yeah, yeah, yeah, yeah

If there's something wrong, I got you, baby  
If there's something wrong, I got you, baby  
If there's something wrong, I got you, baby (Oh, yeah, yeah, yeah, yeah)  
If there's something wrong (If there's something wrong), I got you, baby  
Yeah
