

Someone You Loved

Lewis Capaldi

C **G**
I'm going under and this time I
Am **F**
fear there's no one to save me
C **G**
This all or nothing really got a
Am **F**
way of driving me crazy

C
I need somebody to heal
G
Somebody to know
Am
Somebody to have
F
Somebody to hold
C
It's easy to say
G
But it's never the same
Am **F**
I guess I kinda liked the way you numbed all the pain

Ref:

C
Now the day bleeds
G
Into nightfall
Am
And you're not here
F
To get me through it all
C
I let my guard down
G
And then you pulled the rug
Am **F**
I was getting kinda used to being someone you loved

I'm going under and this time I fear there's no one to turn to
This all or nothing way of loving got me sleeping without you

Now, I need somebody to know
Somebody to heal
Somebody to have
Just to know how it feels
It's easy to say but it's never the same
I guess I kinda liked the way you helped me escape

Now the day bleeds
Into nightfall
And you're not here
To get me through it all
I let my guard down
And then you pulled the rug

I was getting kinda used to being someone you loved

And I tend to close my eyes when it hurts sometimes
I fall into your arms
I'll be safe in your sound til I come back around

For now the day bleeds
Into nightfall
And you're not here
To get me through it all
I let my guard down
And then you pulled the rug
I was getting kinda used to being someone you loved

But now the day bleeds
Into nightfall
And you're not here
To get me through it all
I let my guard down
And then you pulled the rug
I was getting kinda used to being someone you loved

I let my guard down
And then you pulled the rug
I was getting kinda used to being someone you loved
