

Hold On

Lewis Watson

How'd you mean
What you mean you're not coming by
I called you later and you were outside
It always screams screams inside my head
Curtains closed you'd be beside my head

You were always down for it
Get in this getaway and be running from it
Yeah, you were always down for it
Get in this getaway and be running from it

You're giving me the coldest stare,
Like you don't even know I'm here,
Why don't we turn the leaf?
Why don't we turn the
Why don't we turn the leaf
Why don't we turn the (2x)

What you've done, what you've done you can't keep inside
By the end of the night I'll help you confide
Cause I can see, see your sad self
Cause I can see you're not being yourself

Cause usually you're down for it
Can't hold back a smile when you try for it
Yeah, usually you're down for it
Can't hold back a smile when you try for it

You're giving me the coldest stare,
Like you don't even know I'm here,
Why don't you let me sing?
Why don't you let me
Why don't you let me sing
Why don't you let me

You're giving me the coldest stare,
Like you don't even know I'm here,
Why don't you let me sing?
Why don't you let me
Why don't you let me sing
Why don't you let me (2x)
