

Wide Awake On The Voyage Home

Liam Finn

On the voyage home, through the haze of the night
When I saw your face, it was bathed in the light
A full sky of stars, we collided like cars
In the town of people who always drive drunk

And I don't know what to do
By your side I will lie awake
Tell me love isn't true
Is this just a trick to procreate?

The dawn approach, we'll arrive at the shore
And the boat that we boarded will unboard us all
And there we will part, to our homes we return
I was bittersweet to have someone to yearn for

For I don't know what to do
By your side I will lie awake
Tell me love isn't true
Is this just a trick to procreate?

Everyone living as one, down in the hull where I need you
I'll take you into my arms, that's when I will leave
Everyone living as one, one morning to breathe
I knew that this day would come, it's such a permanent feeling

Everyone living as one, down in the hull where I need you
I'll take you into my arms, that's when I will leave
Everyone living as one, one morning to breathe
I knew that this day would come, it's such a permanent feeling
