## **Wide Awake On The Voyage Home**

**Liam Finn** 

On the voyage home, through the haze of the night When I saw your face, it was bathed in the light A full sky of stars, we collided like cars In the town of people who always drive drunk

And I don□t know what to do By your side I will lie awake Tell me love isn□t true Is this just a trick to procreate?

The dawn approach, well arrive at the shore And the boat that we boarded will unboard us all And there we will part, to our homes we return I was bittersweet to have someone to yearn for

For I don□t know what to do By your side I will lie awake Tell me love isn□t true Is this just a trick to procreate?

Everyone living as one, down in the hull where I need you IO11 take you into my arms, that Os when I will leave Everyone living as one, one morning to breathe I knew that this day would come, it Os such a permanent feeling
