

I'm yours

Liam Payne

Well you done done me ynd you bet i felt it
I tried to beat you but you're so hot that I melted
I fell right through the craks
And now I'm trying to get back
Before the cool done rut out
I'll be giving it my bestest
Nothing's going to stop me but divine intervention
I reckon it's again my turn to win some or learn some

I won't hesitate no more, no more
It cannot wait, I'm yours

Well open up your mind and see like me
Open up your plans and damn you're free
Look into your heart and you'll find love love love love
Listen to the music of the moment people dance and sing
We're just one big family
It's your God-forsaken right to be loved love love loved loved

So I won't hesitate no more, no more
It cannot wait I'm sure
There's no need to complicate
Our time is short
This is our fate, I'm yours

Don't cha want to come on,
Scooch on over closer dear,
And i will nibble your ear.

I've been spending way too long checking my tongue in the mirror
And bending over backwards just to try to see it clearer
My breath fogged up the glass
And so I drew a new face and laughed
I guess what i be saying is there ain't no better reason
To rid yourself of vanity and just go with the seasons
It's what we aim to do
Our name is our virtue

I won't hesitate no more, no more
It cannot wait I'm yours

Well no no, well open up your mind and see like me
Open up your plans and damn you're free
Look into your heart and you'll find the sky is yours

So please don't, please don't, please don't, There's No need to compl
icate
Cause' our time is short
This is our fate, I'm yours
