

# Say It All

Liam Payne

Yeah

Uh

Say what you want  
Say what you want  
Girl, you got me  
Know what I want  
Know what I want  
Now that just leaves you  
All of this shit  
All of the bliss  
Tell me something real  
Tell me something real

Sometime's it's bad  
You know that I notice  
We going in and out of focus  
Know what you wanna ask me  
Baby, I know that you nervous  
When I'm gone, everything changes  
Walls going up like we strangers  
Took me forever to say this

Baby, we should say it all, say it all  
There's beauty in these broken walls, broken walls  
Holding back is criminal, criminal  
Baby, we should say it all, say it all  
Yeah, baby, we should say it all, say it all  
There's beauty in these broken walls, broken walls  
One of us should make the call, make the call  
Baby, we should say it all, say it all

Sick and tired these days and nights when you just ain't around  
Reaching for somebody else but then I know what I found  
Don't know why I don't say it more than I do  
But everyone's selfish, you know, oh

Sometime's it's bad  
You know that I notice  
We going in and out of focus  
Know what you wanna ask me  
Baby, I know that you nervous  
When I'm gone, everything changes  
Walls going up like we strangers  
Took me forever to say this

Baby, we should say it all, say it all  
There's beauty in these broken walls, broken walls  
Holding back is criminal, criminal  
Baby, we should say it all, say it all  
Yeah, baby, we should say it all, say it all  
There's beauty in these broken walls, broken walls  
One of us should make the call, make the call  
Baby, we should say it all, say it all

Sick and tired these days and nights  
Yeah, yeah, yeah, yeah

Sick and tired these days and nights  
Yeah, yeah, yeah, yeah  
Sick and tired these days and nights  
Yeah, yeah, yeah, yeah  
Sick and tired these days and nights  
Yeah, yeah

Baby, we should say it all, say it all  
There's beauty in these broken walls, broken walls  
Holding back is criminal, criminal  
Baby, we should say it all, say it all  
Yeah, baby, we should say it all, say it all (Oh-oh)  
There's beauty in these broken walls, broken walls  
One of us should make the call, make the call (Say it all)  
Baby, we should say it all, say it all (Oh)

Say it all, say it all (Say it all)  
Say it all, say it all (Girl, say it all, say it all)  
Make the call, make the call (Just gotta)  
Baby, we should say it all, say it all (Ooh-ooh)
