

Is Your Love Big Enough?

Lianne La Havas

Found myself in a second
I found myself in a secondhand guitar
Never thought it would happen
But I found myself in a secondhand guitar

So I've just got to know
I truly have to know
So you've got to let me know

Is your love big enough for what's to come?

Got so hot in the city
That I forgot everything I was looking for
Made my way to the dance floor
And I danced 'til I wasn't drunk anymore

So I've just got to know
I truly have to know
So you've got to let me know

Is your love big enough for what's to come?
Baby, let me know
Is your love big enough for past is done?
Baby, let me know

Underground, underground
With the friends I've found
Friends I've found

Underground, underground
With the friends I've found
Friends I've found

I scream, I scream on Second Avenue
I scream on Second Avenue

Is your love big enough for what's to come?
Baby, let me know
Is your love big enough for past is done?
Won't you let me know?

Is your love big enough for what's to come?
Is your love big enough, big enough?
Is your love big enough for what's to come?
Won't you let me know?

Is your love big enough for past is done?
Baby, let me know
Is your love big enough for what's to come?
Is your love big enough for what's to come?
