

ED-209

Lich King

Construct of the ruling class
The pride of OCP
Delta City police droid
See its mounted turrets gleam
Criminals, you'd best submit
You know it can't be bargained with
Expressionless the officer
Surrender to the peace machine

ED-209
Evildoers, say your prayers
ED-209
Twin autoguns it wears
ED-209
Only way to ever beat it is
Just to take the stairs
