

## Lead You Astray

Life of Agony

You give what you get  
Nothing more and nothing less  
Smile when needed to  
Speak when spoken to

I won't lead you astray  
I won't lead you astray  
Candyman...

Take what, what you need  
As long as it's free  
Come run away with me  
We'll run far away

I won't lead you astray  
I won't lead you astray  
Candyman...

Let go of what's real  
Show me what you feel  
Don't you be afraid  
I won't lead you astray  
Candyman...

I won't lead you astray...
