

## River Runs Red

Life of Agony

I got the razor at my wrist  
'Cause I can't resist  
I've got this fever burnin' fist  
That does as I wish  
But when I get downtown  
And see what's around  
I just know there's got to be  
A better place to be found

Oh, god help me

The river runs red and I think I'm dyin'

Well I knew there'd come a day  
When my mind would say 'hey are you afraid'  
Well all I know is that I been down here tryin'  
Well, I'll bleed on through the night  
I suppose I'll be dead by the morning light  
So don't be surprised if you mind when you find me

The river runs red and I think I'm dyin'  
The river runs red and I think I'm dyin'

Oh, god help me
