I face my demons Wrestling these angels to the ground And all that I could find Was a thin line between all the saints And villains it was crossed In my own mind Some day I'm gonna find it Wish I knew what I was looking for Inside the disarray (inside the disarray) I woke up this morning Don't know where I'm going But it's alright I wouldn't have it any other way Struggling between the facts and fiction I'm alone but I'm alive Everyone around me is trying to make a statement Then there's me I'm just trying to survive Some day I'm gonna find it Wish I knew what I was looking for Inside the disarray (inside the disarray) I woke up this morning Don't know where I'm going But it's alright I wouldn't have it any other way If this was any other day I'd pretend to know where I stand I just don't know I just don't know I just don't know Some day I'm gonna find it Wish I knew what I was looking for Inside the disarray (inside the disarray) I woke up this morning Don't know where I'm going But it's alright I wouldn't have it any other way Someday I will find it Wish I knew what I was looking for Inside the disarray (inside the disarray) I woke up this morning Don't know where I'm going But it's alright I wouldn't have it any other way
