Find me here, when speak to me  
I want to feel you,  
I need to hear you  
You are the light that is leading me  
To the place where I find peace again

You are the strength that keeps me walking  
You are the hope that keeps me trusting  
You are the life to my soul  
You are my purpose  
You are everything

**E H A2 C#mi**  
And how can I stand here with you  
**H A2**

And not be moved by you  
**E H A2 C#mi**  
Would you tell me how could it be  
**H A2**  
Any better than this

You calm the storms, when you give me rest  
You hold me in your hands  
You won't let me fall  
You still my heart  
And you take my breath away  
Would you take me in  
(Would you) take me deeper now

**E H A2**  
And how can I...2x

**C#mi**  
Cause you're all I want  
**A5 E**  
You're all I need, you're everything  
**H5**  
Everything

**E H A2 C#mi**  
And how can I stand here with you  
**H A2**  
And not be moved by you  
**E H A2 C#mi**  
Would you tell me how could it be  
**H A2**  
Any better than this
