

Mesmerized

Lifehouse

I'm filling a space
Burning a chapter of your life
This was the place that only you would know
Walking away
Watching the ashes as they fall

Reaching into your eyes
I can feel you crawling
Through my veins like
Catching the first sunrise
Mesmerized

Sever the skies
Bury the truth
Forget the time
These were the years
You tried to leave behind

Whatever we are
I still remember the way we were

Reaching into your eyes
I can feel you crawling
Through my veins like
Catching the first sunrise
Mesmerized

Sometimes when I'm with you
These feelings falling
Like a landslide
As both of our dreams collide
