

My Precious

Lifehouse

Can't hold you down
Can I be you
There's nothing I can do
A slave to your hands

Climb up above
Your precious time
Don't worry your time
Don't hurry your mind

Where did you go?
Where did you hide?
All I can do
Is watch you pass by

Climb up above
Your precious time
Don't worry your time
Don't hurry your mind

Every time I try to take it back
I know I don't wanna live like that
I'll wait for tomorrow
Too tired to go the other way
Too late to wait another day
I'm going on

Climb up above
Your precious time
Don't worry your time
Don't hurry your mind

Climb up above
Your precious time
Don't worry your time
Don't hurry your mind
