How long have I been in this storm?

Emi D/F# G G
So overwhelmed by the ocean's shapeless form

Emi C G G
Water's getting harder to tread

Emi D/F# G
With these waves crashing over my head

G D/F# Emi
If I could just see you

C G
Everything would be all right

G D/F#Emi
If I could see you
D/F# G G

This darkness would turn to light

Emi C G G
And I will walk on water

Emi D/F# G G
And you will catch me if I fall

Emi C G D/F# Emi
And I will get lost into your eyes

C D G G
And everything will be all right

Emi D Emi
And everything will be all right

Em C G G Emi D/F# G G

Emi C G G
I know you didn't bring me out here to drown

Emi D/F# G G
So why am I ten feet under and upside down

Emi C G G
Barely surviving has become my purpose

Emi D/F# G
Because I'm so used to living underneath the surface

G D/F# Emi
If I could just see you

C G
Everything would be all right

G D/F# Emi
If I could see you
D/F# G G

This darkness would turn to light

Emi C G G
And I will walk on water

Emi D/F# G G
And you will catch me if I fall

Emi C G D/F# Emi
And I will get lost into your eyes

And everything will be all right
