

# Take Me Away

Lifehouse

This time all I want is you  
There is no one else  
Who can take your place

This time you burned me with the way  
You see past all the lies  
You take it all away

I've seen it all and it's never enough  
It keeps leaving me needing you

Take me away  
Take me away  
I've got nothing left to say  
Just take me away

I try to make my way to you  
But still I feel so lost  
I don't know what to say, what else to do

I've seen it all and it's never enough  
It keeps leaving me needing you

Take me away  
Take me away  
I've got nothing left to say  
Just take me away

Don't give up on me yet, don't forget who I am  
I know I'm not there yet, but don't let me stay here alone

This time all I want is you  
There is no one else  
Who can take your place

I've seen enough and it's never enough  
It keeps leaving me needing you

Take me away  
Take me away  
I've got nothing left to say  
Just take me away

You take me away  
Take me away  
I've got nothing left to say  
Just take me away
