

Taking Back The Night Life

Liferuiner

Fuck the scene, gimme the green
We don't give a fuck about your words
We're still here running your mouths
Don't hate us, because you ain't us

I'm still alive, after every threat
I'm still true, TRUE TILL DEATH

Everything I've lost, has only been a gain
I hope every record we sell brings you pain

Sparking the revolution in our generations hearts
Our hearts are taking back the night

Taking the night life back (4x)
