

Twenty one years when I wrote this song  
Twenty two now, but I won't be for long  
People ask when will you grow up to be a man  
But all the girls I loved at school  
Are already pushing prams

I loved you then as I love you still  
Tho I put you on a pedestal  
They put you on the pill  
I dont feel bad about letting you go  
I just feel sad about  
Letting you know  
I dont want to change the world  
Im not looking for a new england  
Im just looking for another girl  
I dont want to change the world  
Im not looking for a new england  
Im just looking for another girl

I loved the words you wrote to me

But that was f\*cking yesterday  
I can't survive on what you send  
Every time you needing a friend

I saw two shooting stars last night  
I wished on them but they were only satellites  
Is it wrong to wish on space hardware  
I wish, I wish, I wish youd care

I dont want to change the world  
Im not looking for a new england  
Im just looking for another girl

I dont want to change the world  
Im not looking for a new england  
Im just looking for another girl

I'm looking for another girl  
I'm looking for another girl  
I'm looking for another girl
