

## Somewhere In The Swamps of Jersey

Lifetime

I keep on laughing and you're keeping track and tonight I'll go  
back to the place I first knew that I'd wait for you always on  
streets and in doorways where engines they die near the northe  
astern line and you mentioned a record that reminded me of a we  
ek that you couldn't get things out of your head I'm truly sorr  
y I missed that night it could have been the best time but it's  
just timing she showed up unexpected and I the train into town  
I put my collar down and pushed through the door but if it's s  
miles you want talk to the kid with the boy eyes and wake up dr  
eaming next to him
