Skirt down the street, down E-14
Bitch sellin ass, ho let's go
Skeet skeet skeet beep beep there ho
Sliding on the strip with a platinum wig
In the strip club, I'm a watch the bitch's gig
It's thizz or die you Beezy
Shout out to the bay, my name Lil Beezay

My girlfriend ain't acting right

Police on my back, trying to lock me up
A ho with a ho I be going so dumb
Keep it 100, I'm a feed the bitch crumbs
Lick the bitch!
Lick her like a blunt
Finna hit the street, then I'm a go stunt
Down in the east, fuckin with whatever
Cutty what it do
