

Fed Time

Lil B

Yes

Its that ugh white flame you feel me [?]

Keep your head up lil bruh

White Flame Lil B

Everyday its a nigga doing fed time

Why the fuck niggas ain't woke the fuck up

Lil bruh write me saying he doing bad

I just wish he could see me become a man

I got a brotha that's lock down for life time

I got a brotha he a man he doing just fine

I Got two sisters on the low and I love them much life used to
be pure remember double dutch

Now suckas doing bad shit for street fame

People that I grew went down to bust brains

You can't trust nobody in the wild west better keep your guns d
rawn and wear a vest

Only nigga in court with a 50 clip... keep it positive you ain'
t going to do shit

Shout out to the fader hater ill make you dip low like maser la
ser

I got the laser in my pocket I don't play with guns

I fight honor

And Shhh

I never kill For drugs

And I live For thugs

Nerds all people the middle above

I bust suckas on they block cause they fire capin

I keep this shit to real its way past rappin

Only time you see me if its in the bank

Niggas plotin on me I'm a make them stank

Start to feel like the jacket cause I never blink

I been out the water shit but I never sink

Remember lil b as the rawest ever

And this time around let's get rich together

You like that don't you

Remember lil b as the rawest ever

And this time around let's get rich together

Yeah!
