Lil B

Welcome to Based  
Welcome. This is Lil B  
Everybody put your hands in the air

I'm rolling through these cits  
I got bitches on my dick  
These niggas fuck with me  
Because I have respect  
And cause I Based freestyle  
They gotta cut me a check  
All these bitches on my dick  
And I just want some sex  
I say "that's alright!"  
Baby you're OK! My name's Lil Boss  
And I'm here to stay  
Man my name's BasedGod  
Come fuck with me  
All these bitches on my dick  
And I just want you to see

I got bitches, yeah!

Everybody put your hands in the air  
My name's Lil B. Lil B for Lil Boss

She let me suck her  
Let me do some things  
She let me see her naked  
She let me fuck her face  
I do what I want  
She let's me do what I please  
I said I got bad bitches  
She said "oh that's not me"  
I say "you're my bitch! "  
I say "you're my bop! "  
I say "I fuck you all day  
And I will not stop"  
I said "I'm here for life  
Bitch you gotta love me  
My name's Lil Boss  
But they call me Lil B! "

I got all these hoes  
And I don't know what to do  
They ask me if I share  
I'm asking "who are you? "  
My dude is Hugh Hefner and he fucks with me  
I said "Hugh Hefner man, I got more bitches than you"  
He said "that's not right! "  
He said "you are a liar! "  
I said "Hugh Hefner, you see my bitches tonight? "  
And I'm young BasedGod and I dare you to see  
And I gotta question who got more bitches than me!
