

# I Love You

Lil B

I wanna say I love you  
I wanna say I love you too  
Thank you for loving Lil B  
Thank you for supporting me  
Shouts out to my mom  
I love you  
Yes, you can cry to this  
Yes, I love you too  
If anything just happen though  
Just, just know this  
I live for you and I love this  
Thank you based world for being nice  
It gets cold on these lonely nights  
Never had money so I can't respect it  
Really, I value friends. you feel me?

O.G. told me, "Keep your heart, keep spreading love and play your part"  
I just do the best that I can  
Say real things and help my friends  
I am not perfect, but I am great 'cause I keep a smile  
I know you are a superstar  
Stay based and...  
Love me, and hope I have a good life  
RIP to your dead family, I love you  
Based world for life  
And I want you to have a good night  
And I want you to have a good day  
Everybody know I see weird things  
But it's gonna be okay

I love you, I love you  
Even though things sometimes are hard  
I just put it up to...  
In the air, sometimes I cry  
But it's okay, we'll be alright

I made this for all my people that's alive right now  
'Cause sometimes, man I feel dead, we all feel dead, man  
We alive on earth, but we livin' to die  
This for everybody that's in the sky  
Everybody that's out here, we alright, its okay to cry

Bum bum bum bum, bum bum bum bum, do do do do, I love you  
Bum bum bum bum, do do do do, my name's Lil' B  
And I love you  
You know, just I spread my music  
And uh, if anything ever happens to me, you know, uh  
I love you guys, man, a tear comin' to my eyes just sayin' this  
Nothing's promised, the world's real creep, things get real shistey  
You know, like I said I'm Young Based God, don't nobody like me...
