

Yea Red flame, real shit my nigga  
I'm just tryna live my life, you feel me  
Let me do me, I'm a do what the fuck I do  
This for all the motherfuckers that's rebels  
Don't give a fuck, Yea lil b

What did I do to, all these niggas used to  
The same thing, Free throw martin luther  
The God MC, the one that Nas still looks up on  
The one that jay zs taking notes from  
I'm hip-hop from wat skid is to lotion  
Night is to day, nigga os is to motion  
I am the goat, no homo, no preacher, no popy niggas gay  
Cause I'm fucking all the hoes  
If your at my show you know I'm getting all the dough  
Came a long way from jail, from fears from going broke  
Niggas hateing me? shit cut your fucking throat  
For all this fucking hate I get nigga  
Death threats, the presidents on my dick  
Based God brand that's that  
I've seen the bottom I ain't going back nigga  
I'm never going back

Good life or my life, no choice both are  
The sunshine, niggas get hungry before dinner time  
Mom told me don't wait, get great ImIm him  
The man could tune like a violin  
B town inspired him, waterfront inspired him  
Feel like I died within when niggas started breaking in  
Now I'm thinking wait again, I can't slip  
When I started taking off the trans skip  
Niggas started moving to the mansion  
See the rap game is the way to feed my family  
I ain't fucking phrasing, Can't see my granny  
And my grannies still in the hood, she should be up in miami  
While these suckas playing games and tryna get a grammy  
You better watch out your way call me hurricane brandon  
My mind treasure hidden in the sand pussy nigga

Don't have my name in your mouth if you don't know me  
Niggas like me come down out your whole street  
Then lay back I'm low key I'm solo low heat  
The cock back never drop the top cause [?] through that  
Never on the motorcycle niggas take you off that  
Real west coast, bruh we off that  
For sho bitch I'm going wide, west coast will never die  
With lil b drafted to the home team bruh we going to fly  
Lil b blasted with the 4 5 yea I'm ready nigga I'm here lil b nigga b  
ased God  
Red flame mixtape nigga its a rap
