

# Illusions Of G

Lil B

Nigga the game's so real

Welcome to the game and you gotta respect it  
Bitch it's a new day and I never forget it  
Nigga wanna hate me? I'm selling bullets to dressers  
AK for this engine, a fucking blessing  
The suits fuck your dream like a salad dressing  
Got 2 faces, I stay 2 places  
Went off the lot, I copped 3 all J's  
I stay pushing white so I never be racist  
Back against the wall when I'm catching my cases  
You look so stupid under pressure  
Tried to push me and I motherfuckin told you to count your bles  
sings  
What you gon do when the niggas gon get you boy?  
I swear to God, put you on that stretcher  
You gonna eat bullets, left hand pullie  
I go stow stupid, you niggas is foolish  
Lil Boss

Glad you did 10, now we takin the long route  
Dude came home and he long with the gats out  
Take your .45's when you come on stripes out  
Knew I won't stretch on taking that out  
Yea I'm a little flat like the rug on your floor is  
Death bay bitch underneath that 4  
Well you gonna look too when I'm throwin the hood too  
5-0 right at you, I won't disgust you  
Shouldn't call no, I ain't got no problems or nothing  
Bitch I live by the law, I'm the book note friend  
Where the street niggas know it's the green note friend  
Put you face and tooth, put your name on sudden  
Pray to God every day you gon push that button  
Oops, dang, I keep it gangsta  
Bitches stay in base what, I don't fuck with wangsters
