Lil B

Welcome to my trap house  
Sack out, Mack out  
Back in  
The gangsta shit that was missin'  
I can't believe  
I'm back and forth with my mindstate  
I failed before, lost it all  
Yeah I felt that  
I fell back  
Niggas hate on me for that, wanna kill me  
Because they're jealous  
Seen my face on t.v and couldn't take it  
What did I do to you?  
I'm just trying to get my family out this hell  
Ghetto trapped me with no cheese  
Feel like I've died twice  
Seen my partner laying in the casket too early  
It hurt my heart  
That shit was...  
That shit was tragic  
I'm sittin' back  
Lookin' at the game from the top half  
Coaching, showin' em' plays  
Isomotion  
Leave me alone bitch  
I ain't got no time to shake  
Offered him a job and the bitch came late  
Ancient Greece  
I was a king fo' sho' bitch, know this  
I'm off the top and I'm focused, know this

Yeah, you know we keep it real based  
Produced by Lil B

Always be around  
Because I love you

I'm a die a legend  
I did it, I'm so happy  
I love ya, I'm not above ya  
I'm lookin' at ya  
They used to give me scraps on the table  
Puttin' straps on the table no label

No label was pushin' my label  
I'm not able  
Makin' moves because I got the strength  
Lookin' at me for the answers  
I'm lookin' at you for a chance to show my face  
Through audio or visual  
I'm spiritual because I lost people  
Start to think that it's a miracle  
We are here for a reason  
Take your time to find out why  
You were put on this earth  
A fallen angel go fly  
The sunrise got me thinkin'  
About the situation  
I'm Jimi Hendrix  
I'm Led Zeppelin  
That's legend  
Lil Boss I'm nobody  
Cop my shit  
I'm fo' sho' hot  
They bump me in the hood I fo' sho' knock  
I hold ya down  
I hold ya down  
I'm the doja 'round  
I got you  
We made it now  
We made it now  
Single file  
Single file  
'Cause we made it now  
We made it now  
'Cause we made it now  
We made it now, yeah  
Single file 'cause we made it now
