Lil B

Nigga, we getting millions, nigga, fuck it

One time for my niggas on the court One time for my niggas on the bench

I got a couple bitches sucking that dick

The bitch playing on defense

The bitch trynna block my shot

I'ma go on the court and push that rock

I'm trynna get my niggas off the block You feel me? Pass the rock!

One time for my niggas on the court One time for my niggas on the bench

Fuck the coach, I'm still getting paid

I get paid, to brush my waves

The bitch wanna fuck me

Oh, she gotta see me at the game

The bitch ain't gon' get no tickets!

I ain't gon' give the bitch no tickets!

I'm not gon' give the bitch no tickets!

Naw, bitch, I'ma put you on a mission!

I need a punk bitch who listen!

I got a lot of shit to say!

Tell a ho, "fuck you", any day!

Bitch, I got something to say! See me on the hoop court, and let's play!

One time for my niggas on the court One time for my niggas on the bench

Like I said, Lil B, he done came in this gym, and that boy done put his time in

So you know what?

Like a peach in a basket, Lil B is gon' run in that motherfucking court

And he gon' hoop his ass off until he make that NBA

And he gon' bring that title back home to us

And we gotta win that championship

Know what I'm saying?

I'm a old school type of cat, know what I'm saying?

So, we handles the business, OK?
