

Red Flame

Lil B

Red Flame bitch, Lil b nigga 7th street bitch
Yea you know what the fuck it is man I'm back
Go download that blue flame mothafucking mixtape nigga the real
est in this bitch
Give a fuck what these niggas talking bout bruh
I give a fuck bout what the rich niggas talk about
What the broke niggas talking bout
Lil b in this mother fucker swaged to the 800 bruh

Niggas think they can use me for promo
As a no go I slide through fodo
I got a pistol on my side, like the popo
For sure niggas mad at me, things change bruh
Feeling changed to, that's the game bruh
I ain't gonna ever be the same
Its on my damn grave
I've have seen some real shit, at my damn age
You be dancing with the devil on the damn stage
Politics like phone calls, we out of range
Niggas treat me different now that I'm super famous
Take a note from your broke, rip of the pages
Real goon covered up, I don't do the faces nigga
