Blue Eyes mixtape I got some in my soul Blue Eyes, collect this mixtape, Lil B, very rare Make sure you download my new Gold House Download my new Gold House mixtape, coming right after this As my soul burns slow And the ashes from my blunt keep my thoughts all froze How I make it this far in the pad then the road? How I walking every day when my boy's casket closed? What I deserve to be here? With this stress upon my mind but music free the land I can't stop That's before the push or after? My head right, my heart right, I'm ready for the war I'm not playing the talk like most other niggas And don't walk like them sucka niggas I got the game fucked up, I think I love a stripper But off GP bitch, I'd never tip her And you seen me on top A few close ones gon be with me when I drop My life is a daily watch Just bought a new home But I don't feel that home Why you let your baby roam When they feel grown? I know I got your back, that's why you feel this song Long nights niggas put me on the back burner How I'm finna eat? How I'm finna sleep? How I'm finna get minds in the better space? Top floor penthouse, that's a better place Pistols coming out the wall, you just press the 8 Buttons on front of the door in case you niggas break In, I'm waiting, the day ends, when they in, nobody wins When I lose, I'm turning on the TV Wouldn't play it in my shoes Your love life, well bitch, respect what I do Real friends beat the test to find you From your past that was left behind you
