I'm gonn make your back hurt  
Bitch ask about me, I'm the show about the street  
I'm gonna blow her back out off the top  
For a week, ok,  
Ask about me, ask about me, based God  
Fuck my main bitch, I'm a tell you about me

Kinda like that hoe, who roll o, I don't know  
She gonn swim, catch that rope, off the top, like a boat  
Like a pole, like a pussy, she got nerve  
She gonn swerve, off that lean, off that beam  
Hit that sky, with your licks  
I'm gonn blow your back out  
Off the top, at the mansion, bitch I'm from the earth  
Fuck what it's worth  
I'm a pay 50... you don't need to work  
My mind right, see what's that work  
Post upon the 7, lit a bitch and a blunt  
Stay strapped up, playing with me  
They don't know me, fuck that shit

Make that bitch squirt, make that bitch squirt  
Make that bitch squirt, make that bitch squirt
