

# Street Dreams Remix

Lil B

It's street dreams  
I still got these street dreams  
You feel me? Niggas never left their shit man  
I'll never have to struggle  
I'm still in it man  
Feeling like I said, remember why I signed artist for a reason  
Ross rapper, live for a reason  
I wanna thank y'all for stickin with me while I'm still in the hood  
Thuggin this shit out man  
It's real

I'm dreaming for the day that I make it off rappin  
Niggas posted in the hood, they gave they life to the trappin  
Never seen a bad day but I know when it happen  
Gotta keep your mind right or you lose your advancement  
Gotta stay with your pace, I'm stayin in place  
Niggas laughed in my face when I lost my race  
How it feel when people closest is fake?  
Niggas walk by the way,  
How you doin? I'm straight  
Niggas tryina be down, you a lil too late  
You love me for the heart is what I'm meaning to say  
It's so crazy that niggas, I'm shady and kill  
Tryina take you out the game, envy they feel  
I was made for this rap cause my life is a movie  
Had the pistol to my head and they still ain't shoot me  
I'm humble as ever, real niggas from the hood  
Let's get this shit together

And all my life  
I've prayed for someone like you  
And I thank God that I, that I finally found you  
All my life  
I've prayed for someone like you  
And I hope that you feel the same way too  
Yea, street dreams, yea

What if I said I was really against it?  
Would you look me in my eyes and walk past like a stranger?  
Most people walk past like they life is in danger  
I forgive a lot of people, I'm controlling my anger  
You can't see but niggas waiting on you to fail  
Man my life was so real, like water front derail  
I just speak what I know, never say what I hear  
When you talkin about niggas, they know I'm real  
I would've had your attention if I was out here bitchin  
Try to get out the hood is the only mission  
I got a 6th sense to keep straighten the heat  
Ask God every day that he did my beef  
Niggas is so quick to handle court in the street  
They wanna see me fail but the legend in me  
They wanna see me stop but for sure won't stop  
For life I'm a rep Lil B to the top  
Yes

And all my life  
I've prayed for someone like you

And I thank God that I, that I finally found you  
All my life  
I've prayed for someone like you  
And I hope that you feel the same way too
