

What It Feel Like

Lil B

Real shit, mane
Realest muthafucka doin' it
Realest man alive
I'm past nigga
Let's get it
Uh

Billion dollar man, with a big plan
Won't keep my head to the sky, ain't gon' slip again
Fuck with me
Right, I'm a back burn
Leave him with a back burn
The K got 34 bullets Jamal Mashburn
Mash niggas that they think better than mua
Nigga I'm Based God
I'm working like a day job
I be sendin' thirty that gon' hit you up real quick
Get it correct I be the only one that-
Beef with me, suck his health
Hollow tips beat your ass like a fucking belt
And I got the belt, nigga

Real talk, nigga
I don't give a fuck what I say, what I feel, what you feel, what you do
Nigga, this young Based God
Lil B in this muthafucka
Never gave a fuck, nigga
2011
I'm in this muthafucka making history, nigga

I'm right, sometimes it don't feel right
Remember I was broke as a joke, know what it feels like
Grinding on blocks, the same ones that kill, right?
People surgin' pills of white, and I know what it feels like
Until niggas try to block me from my deal like
I wasn't putting in work on nights - What?
Like my eyes wasn't red from that fucking pain
I gave twenty years of my life, nigga, it's fuck the game
And I don't fuck with mark niggas, that's - What?
Been here, niggas, and I could peep your game
And I know you fucking with me because my fucking fame
Shooting them guns, nigga, you fucking played
Shotgun the barber, giving you niggas fades
You can tell I'm a real nigga, muthafuck your grades
Lil B, nigga, the realest out
My nigga just come out my mouth
Freestyle, boy

Lil B, mane
Illusions of Grandeur mixtape
Let's get it
Realest muthafuckas in this thang
Let's rock
Fuck 'em
If they hating, fuck 'em
Fa real
Let's get it
