Back in the head, man I hit it with the strap  
I can't forget them suckers  
Stand up in the hood and they shot my brother  
Fuck! Niggas think the shit's a game  
45 with a hell it was calling my name.  
I said I would never complain  
If I sell off the zip, I won't get on the plane  
I got a real story to tell  
Made news before the rap, cocaine sell!
