Them niggaz bump screw, and they will jump you
They pick me up from the airport with them pumps foo
And we ready nigga so bring it on ho

One time for all my gangstas, 2 times for all my wankstas
I made a lot of yall careers and and yall aint tell me thank ya
But Im a grown man, I hold my own man
Not from ATL but I'm killin Mikes like Killer Mike
Half the time I don't write
