

# Dirty South

Lil' Flip

South side..... dirty dirty..... south side.. ahhhhh

It's the dirty south, it's just the dirty south,  
It's the dirty south, the dirty south, the dirty south  
Down south we wear bandannas and denim suites  
Down south you gone always spot us in them coupes

Well down south we drivin bentleys and jaguars  
And we play all our hoes like a game of flash cars

Down south we bout that dolla dolla  
Grab a trick then hit and make em holla holla

Down South we eatin Timmy Chan's and noodles  
I just bought an Escalade and a PT cruiser

Down south my wrist stay below freezin  
Down south my niggas brag for no reason

In down south everybody shop in the galeria  
I don't care about the price I drop money like diarrhea

Down south we rollin fancy cars  
Escalades drop tops and rovers wit role bars

Down south lil flip pimpin sluts  
Down south we wearin Princess cuts

Down south is the place where dem caddy trucks stunt  
Ugly birds get shot down like duck hunt

Down south at my concerts I'm packin em in  
And you can see my diamonds from the back of my hand

Down south candy paint bumper grill  
And to be for real I'm already done cart wheels

Down south we all about stackin chips  
And if you get outa line we packin clips

Down south they know redd one of the best  
Plus I shine like I got a sun on my chest

In down south I put diamonds all in your face  
And I'm sellin fifty thousand i'll leave your state

Down south these bezeltines an baggets  
So much ice you could bobsled off my chest

Down south we sip serve and fall asleep  
Down south can't nobody else ball like me

It's the dirty south, it's just the dirty south,  
It's the dirty south, the dirty south, the dirty south

Down south when we drive we hoggin the lane  
86 baggets clogin my rang

Down south we count money on the back of the jags  
But if I'm broke you gone find me with a gat in the mast

Down south we smoke hydro and sip syrup  
Down south it's boo boo guess and ice bergh

Down south we ride swangers on drop tops  
After karintons we ride through our house

Down south lil flip the only freestyle king  
Down south we all known for big balling

Down south we spit slang notice my voice dragin  
Take a look at my clothes ice bergh jeans sagin

Down south we some ghetto stars  
When we havin sex it's minashatwa

Down south I hope yall know it's hot as hell  
And if ya tape aint jammin it's not gone sell

Down south it's rolex and cardiere  
We don't go to clubs unless they got a party there

Down south 5-0's be slangin the billy clubs  
Down south you aint gone find to many silly thugs

Down south stick together like glue  
And we love our music slowed down by screw

Down south lil flip wreckin all these boys  
Major labels don't even wanna call these boys

Down south I make em stop like DMX  
And lil kids poppin wheelies on they bmx

Down south every other ride is on twenty inches  
On a bad day I prolly conversate with twenty winches

Down south we push rhymes like weight  
And the real hangry grill fake hang with fake

Down south it aint no stopin me  
And I got more zeros then the lottery

It's the dirty south, it's just the dirty south,  
It's the dirty south, the dirty south, the dirty south  
Down south ladies throw brawls right in your way  
Man I love to rock ice just to brighten your day

Down south all you hear is H.A.W.K.  
And that's the reason why I hit your (flum face ??)

Down south we ridin in vipers and vets  
Down south we wearin nikes and sweats

And down south sucka free got the game sewed up  
Down south everybody sayin man hold up

Down south all we do is ride on chrome  
Down south we got dvd's inside our home

Down south we ballin for the millenium  
I got a drop escalate and I aint even twenty-one

Down south everybody know I'm shinin quick  
Can somebody flush the toilet Cuz I'm the shit
