

What Is Crunk Rock?

Lil Jon

What the fuck is crunk rock?
Crunk rock is more than just some goddamn music
Crunk rock is a motherfucking lifestyle
We live life to the fullest, we don't let nobody tell us we can
't do shit
We party like rockstars, we crunk all the motherfucking time
We live for today and not for tomorrow
If a nigga act the fuck up, we fuck his ass up!
