With Lil' Kim, Junior M.A.F.I.A., and B.I.G.

And since Frank White taught me how to play the game  
La Bella Mafia, nigga I play to reign  
They put my album in the street like they pump the 'caine  
I'm like bleach - Lil' Kim leave a permanent stain!  
I'm feared in my country like Saddam Hussein

All we ask is y'all show respect  
Cause we don't want talk, big homey, just cut the check!  
Now I'm sittin outside in my 6.6
