

## Hollyhood Song

Lil' Kim

Hey there, girls and boys  
Hi Miss Little Kim Kim  
How are you today?  
Fine

Good, very good  
Now since this is such a beautiful day today  
We're gonna sing our song  
You're ready?  
Yes

Okay, on the count of three  
Move stupid stop pushin' me  
One, two, three

It's a beautiful day in the Hollyhood  
It's a beautiful day in the Hollyhood  
It's a beautiful day in the Hollyhood  
So don't you be a hater
