

Ayy, Royce you did it right here  
Ayy, we takin' 2k18 on my momma nigga

In the back wit' my niggas, off the Xan, we might act up  
Kamikaze 'cause you know we all strapped up  
Your bitch she want me 'cause she seen a nigga stacked up  
But I can't keep her, I just wanna beat her back up  
Wit' my niggas, off the Xan, we might act up  
Kamikaze 'cause you know we all strapped up  
Your bitch she want me 'cause she seen a nigga stacked up  
But I can't keep her, I just wanna beat her back up

Now I'm in the Rari switchin' lanes  
Pull up to the street and they all know my name  
Now I got a bag and my baby chain swang  
I was just broke, steady lookin' for some stains  
And my little brother Midget, free my nigga out the cage  
Sellin' drugs and I get it, ask your bitch, I'm gettin' paid  
And I'm in a Mazi 'cause I crashed the fucking Range  
And I see your bitch 'cause I'm better than your main

In the back wit' my niggas, off the Xan, we might act up  
Kamikaze 'cause you know we all strapped up  
Your bitch she want me 'cause she seen a nigga stacked up  
But I can't keep her, I just wanna beat her back up

Yeah, you know I'm in that brand new space coupe  
Hop up out a van like, "nigga, what it do"  
I can fuck yo bitch and then I kick her out my room  
And I'm in a fast car, nigga, vroom, vroom  
I be wearin' Louis V down 'cause I flex hard  
Posted wit' my niggas sippin' Wockhardt  
And we don't give a fuck, we got a cold heart  
Runnin' through the money, nigga, that part

In the back wit' my niggas, off the Xan, we might act up  
Kamikaze 'cause you know we all strapped up  
Your bitch she want me 'cause she seen a nigga stacked up  
But I can't keep her, I just wanna beat her back up
