

That's My Bitch

Lil Mosey

I was just in the stu, you feel me?
Heard this beat and I just started so
So I'm finna gas it for my bitch baby, yeah, uh

That my, that my bitch baby
Wanna ride around with my clique baby? (With My clique)
I can tell you where the shit's baby
Wanna fuck around with my clique?
All we tryna do is get that bankroll
Louis wallet gang getting thick, that shit can't close
And I just wanna see you stunting till you ankles
Gucci fit, looking better every angel (Angel)
That my, that my bitch baby (Bitch baby)
That my, that my bitch baby
That my, that my bitch baby
Wanna ride around with my clique baby?

Yellow gravy what it do now?
I swear we perfect too now
And I'm loving on that view now
I'm a see you and I view now
I just wanna see you move
I'm just loving how you do
And I'm headed to the moon
And I want you to come too

That my, that my bitch baby
Wanna ride around with my clique baby? (With My clique)
I can tell you where the [?]
Wanna fuck around with my clique?
All we tryna do is get that bankroll
Louis wallet gang getting thick, that shit can't close
And I just wanna see you stunting till you ankles
Gucci fit, looking better every angel (Angel)
That my, that my bitch baby (Bitch baby)
That my, that my bitch baby
That my, that my bitch baby
Wanna ride around with my clique baby?

I know I can be unfaithful
But I swear that you are ungrateful
Cause without you I was lost and shit
Now we both up flossing it
That new Ralph Lauren, we rocking it
And ain't nothing can put a stop to this
And I'm grinding till the top of the list
Cause with you and bros I cannot quit

That my, that my bitch baby
Wanna ride around with my clique baby? (With My clique)
I can tell you where the shit's baby
Wanna fuck around with my clique?
All we tryna do is get that bankroll
Louis wallet gang getting thick, that shit can't close
And I just wanna see you stunting till you ankles
Gucci fit, looking better every angel (Angel)
That my, that my bitch baby (Bitch baby)

That my, that my bitch baby
That my, that my bitch baby
Wanna ride around with my clique baby?
