

16 Lines

Lil Peep

16 lines of blow and I'm fine
You're wastin' your time, wastin' your time
Please don't cry

16 lines of blow and I'm fine
Break my bones, but act as my spine
I wonder who you'll fuck when I die
And if I tried to call, would you cry?
Please don't cry, you're wastin' your time
16 lines will make me feel fine
10 years ago I went blind
I been on my own since age nine
