Lil Wyte

I'm so addicted
I'm so addicted

I love to see that long hair, love to see them pretty feet
Love to hit that blunted beach
Man I'm addicted to them freaky girls
Man I'm addicted to them freaky girls
Them freaky girls
I love to see that big ass, love to see them sexy lips
Love to see them curvy hips
Man I'm addicted to them freaky girls

I love it when she's wiggling
Bouncing shakin then giggling
I love them freaky girls, I swear that I cannot get rid of them
So gutter, so fine,
She's so cool, she fuck with me
I kiss feet, I eat pussy
I'm a straight freak, I suck titties
They know me, yea that's cool
They like what's up with the fat dude?
With his black T and his black shoe and body full of tattoos
And that's just me, forgive me
Baby girl if I seem reckless
I wake at 6 AM to eat the pussy like I need breakfast
The best part of waking up - not no forgers in my cup
It's rolling over, grabbing her butt
One thing on my mind, let's make her nuts
She heard my song, said I was wrong and told me I was white trash
I looked at her, told er the truth, she ain't never had it like that
Fo real

I love to see that long hair, love to see them pretty feet
Love to hit that blunted beach
Man I'm addicted to them freaky girls
Man I'm addicted to them freaky girls

Love to see them curvy hips
Man I'm addicted to them freaky girls
