Yes sir hypnotized mutherfuckin minds my boy Lil Wyte about to put it down for you mutherfuckin hoe's just like this it's goin down bitch yeah

Lil Wyte (Lil Wyte)
Lil Wyte (Lil Wyte)
Hypnotize minds (Hypnotize minds)
It's goin down

Who you think you fuckin with We be on some other shit We be on, we be on, we be, we be on some other shit

This for them haters gone disrespectful when I see ya I'm hoppin' out of a black two seata wit a heata and her nickna mes Quetta

I got her in the hood yeah I talk a lot of shit but she back me up good

For one second don't forget trick I run this Memphis Tennessee we be on some Top Gun shit

Fly over your house M-16 and drop a bomb on it We don't give a fuck we tryin to take out all your shit And we some Titans Grizzlies and Tigers that Volunteer To kill ya clean ya in a river throw you on a barbeque grill So who da fuck you think your fuckin wit we be on some other sh it

The stunna out the gutta started the south but watch the fuckin shit

I be on some dro and shit you be on some blow and shit I'm rockin' shows around the globe and your still on some local shit

I can say sumimason kunichiwa can I get some yen?
That's Japanese for 'Excuse me hello can I get some money man?'
Can you do that? I don't think so, so go back to where you from hoe

I get dollars, Euros, Pecos and they come in by the truck load I make CP you can't see me on these beats or in these streets Cuz I toke heat and beef is beef and you will leak from head to feet.

It's obvious that I'm harder than a majority of your favorite rappers

An underground phenomenal sensation and your papers what I'm af ter

So drop it off, drop it off bitch I got it sawed-off I run wit a click so quick before you even try to think your as s gets hauled off
