

Almost Over You

Lila McCann

I saw an old friend of ours today
She asked about you and I didn't quite know what to say
Heard you've been makin' the rounds round here
While I've been tryin' to make tears disappear

Now I'm almost over you
I've almost shook these blues
So when you come back around
After painting the town you'll see
That I'm almost over you

You're such a sly one with your cold cold heart
For you leavin' came easy but it tore me apart
Time heals all wounds they say and I should know
'Cause it seems like forever but I'm letting you go

Now I'm almost over you
I've almost shook these blues
So when you come back around
After painting the town you'll see
That I'm almost over you

I can forgive you and soon I'll forget all my shattered dreams
You took the love that you wanted and left me the misery

Now I'm almost over you
I've almost shook these blues
So when you come back around
After painting the town you'll see
That I'm almost over you
When you come back around
After painting the town you'll see
That I'm almost over you
