

Hopeless Kids

Lilly Wood & The Prick

I'm here in my blue jeans and my trainers
We are riding on our colorful scooters
I'm not sure where we're going
We're not sure where we'll be ending

Here we are now and we're young and we're healthy
Here we are now with our hair long
Here we are with our ripped apart t-shirts
Here we are with our drunken parties

Here it is we're the hopeless kids
Look at us now hopeless kids
Is there a God for us hopeless kids
Is there an end for us
Hopeless, hopeless kids

Here I'm walking with my bear feet
Here we are we don't care about nobody
Here we are and we're not saving the planet
Here we are dreaming about better days

Here it is we're the hopeless kids
Look at us now hopeless kids
Is there a God for us hopeless kids
Is there an end for us
Hopeless, hopeless kids

Here it is we're the hopeless kids
Look at us now hopeless kids
Is there a God for us hopeless kids
Is there an end for us
Hopeless, hopeless kids
