

I Know I'll Never Be Young Again

Lilly Wood & The Prick

I'm- I'm- I'm writing yet another song
See I'm tired of getting everything wrong
And this feeling it doesn't pass

I'm seeing another shrink yet again
It doesn't quite erase all of my pain
See I thought that I would ease up with age

I know I'll never be young again
And it's the reason I'm in so much pain
I know that I will disappear
And growing old is [?]

I haven't been around for that long
Still I know that I don't feel quite as strong
Yet I'm scared like a child
Them words that splattered out of my mouth
They don't mean much, they don't belong
And I used to be so wild

I know I'll never be young again
And it's the reason I'm in so much pain
I know that I will disappear
And growing old is [?]

And I used to be so wild
And I used to be so wild
And I used to be so wild
And I used to be so wild
And I used to be so wild
And I used to be so wild

I'm- I'm- I'm-
