Get myself wet  
Get myself wet  
Get myself wet  
Get myself wet

Been trying to get some rest for us all  
But our memories won't leave me alone  
I've been trying to get myself to be quiet  
I've been trying to get myself to be better, better

If the sun is out then how will I cope?  
Our memories won't leave me alone  
If the sun is out then how will I cope?  
And our memories won't leave me alone

I'm gonna go ahead and get myself wet  
And there is nothing you can do to stop me  
I'm gonna go ahead and get myself wet  
And there is nothing you can do to stop me

(Tu mets ton maillot de bain et  
Tu plonges dans la piscine)

Been spreading out my arms and my thoughts  
But it's always no, there's always trouble  
I've been trying to get myself to be quiet  
I've been trying to get myself to be better

But when this is over well then how will I cope?  
This madness here won't leave me alone  
When this is over well then how will I cope?  
If this madness here won't leave me alone

I'm gonna go ahead and get myself wet  
And there is nothing you can do to stop me  
I'm gonna go ahead and get myself wet  
And there is nothing you can do to stop me

Piscine, piscine, rosé

Piscine, piscine, rosé (Get myself wet)  
Piscine, piscine, rosé (Get myself wet)  
Piscine, piscine, rosé (Get myself wet)
