

## Love to Give

Lilly Wood & The Prick

If I feel fine and there's no situation at all  
I don't feel bad at all (I don't feel bad at all)  
If love isn't part of the plan  
It's no big deal at all (it's no big deal at all)  
And if I never get to be a mother  
Sure it will hurt a bit, more than a bit  
'Cause I've got so much love to give  
Love to give, love to give

This feeling of love is endless  
Nothing will make it go away  
I love you this way  
I love you  
This feeling of love is endless  
Nothing will make it go away  
I love you this way  
I love you

If it is true you're born and die alone  
I'd like to feel alive between the two  
It is coming, I feel it in my bones  
I'd like to feel alive between the two  
And it's coming, I won't bear it any other way  
I'd like to feel alive between the two

This feeling of love is endless  
Nothing will make it go away  
I love you this way  
I love you  
This feeling of love is endless  
Nothing will make it go away  
I love you this way  
I love you

This feeling of love is endless  
Nothing will make it go away  
I love you  
I love you  
This feeling of love is endless  
Nothing will make it go away  
I love you this way  
I love you

This feeling of love is endless  
Nothing will make it go away  
I love you this way  
I love you  
This feeling of love is endless  
Nothing will make it go away  
I love you this way  
I love you
